

## E3 Asia Company Limited

### CASE STUDY FOR CENTRIFUGAL AIR COMPRESOR

E3 Asia Company Limited, Thailand as dealer for Kirloskar Pneumatic Company Limited, Pune India was instrumental of making the **first sale** of Turbo Centrifugal air compressor Model A3500 capable of delivering 5000 NM3/ hour with 3 stages at 100 psi nominal pressure. This is the first indigenous manufactured air compressor at their Pune Factory to be delivered to export market.

E S Fiber visions (Thailand) Company Limited is a joint venture between Fiber Visions, America (Indorama owned company) and J N C Corporation of Japan formed to manufacture bi product Fiber , high end Fiber used in hygiene products like napkins & hand gloves used by multinational company like Procter & Gamble, Unilever.

KIRLOSKAR PROPRIETARY LTD. (KPL)

Kirloskar faced a tough competition from CAMERON (TA 3000) and after lot of deliberation and interaction was able to prove more power efficient than others. The deal was signed by Mr. Sanjay Grover, Head International Division and Mr. Mahesh Nadukar, Head Air compressor division from KPCL and Mr. Ashok Mathur and Mr. Anand Sharma of E S Fibre Visions. E3 Asia Company limited provided all technical support and shall be responsible for execution and after sales of this compressor.

E3 Asia engineers are trained at Kirloskar factory and currently servicing customers like SRF( Thailand) Usha Siam e.t.c. E3 Asia is looking forward to strong partnering with Kirloskar group of companies for all type of compressors including refrigeration and process compressors.
