Dear Mr. Krishna Tiwari,

Heartiest congratulations on sealing the first Solar Power Project in Thailand!

We at ONP Solar are extremely grateful for the efforts you put in on this project. This would not have been possible without your dedication, perseverance and strong and healthy relationship with Mega Lifesciences.

We promise to honor all the commitments and certainly shall make this deal a success and also we believe that this project would prove to be a milestone and set a benchmark for both of our companies.

We wish to continue working with you and look forward to many more successful projects and fruitful endeavors in the Thai market.
